DETAILED ACTION

Allowable Subject Matter

Claims 1, 4-5, 8, and 15 are allowed.

The following is an examiner's statement of reasons for allowance:

Kaminow (3637929) discloses all limitations of the claims 1 and 8 except for the curved intensity profile promoting cavity, wherein the cavity comprises a focal length from the cavity surface and a frequency-altering device for receiving the single mode laser beam.

Claims 4-5 and 15 have been found allowable due to their dependency on claims 1 and 8.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
